

The speakers will read the text to your child and the "Show Me" will show a short clip.

Show Me

Sometimes a picture pattern is given. You are asked to continue the pattern. You must decide what the next picture in the pattern will be.

To find the next picture for a pattern, you will have to guess. Your guess should be a good guess, not a wild guess. Look carefully at what is given and try to find a pattern. Use the pattern to help guess what the next picture will be.

Example

What is the next picture in this pattern?

The pattern shows a series of squares. Each square contains one dot. The dot moves clockwise from one corner to the next.

So the next picture will look like this:
